

EDIFY WORLD SCHOOL ATTAPUR

PULSE

NEWSLETTER
July 2026

Message from the Chairman & Managing Director

Shri D. Rajeshwar Reddy
Chairman and Managing Director
Edify World School – Attapur

It is a pleasure to share another edition of our school newsletter, reflecting the energy, achievements, and progress of our learning community. I am deeply grateful to receive the Young Edupreneur in School Education Award 2026, an honour that I dedicate to the collective efforts of our students, parents, teachers, and staff. This month also marked the inauguration of our Space Lab, Shooting Range, and Art & Design Studio, creating new opportunities for experiential learning and holistic development. As you explore these pages, I hope you will take pride in the accomplishments of our students and join us in continuing to nurture confident, compassionate, and future-ready learners.

A portrait of Shrimati D Haritha Reddy, the Academic Director of Edify World School – Attapur. She is a woman with long dark hair, wearing a white sari with blue and green floral patterns. She is seated at a desk with her hands clasped in front of her.

Message from the Academic Director

Shrimati D Haritha Reddy
Academic Director
Edify World School – Attapur

Learning is most meaningful when it extends beyond the pages of a textbook, and the experiences highlighted in this edition reflect that belief. Our students have embraced every opportunity to explore, question, and discover through engaging classroom activities, practical learning experiences, and educational field trips. The successful Student Council elections and Investiture Ceremony also provided valuable lessons in democracy, responsibility, and leadership, allowing students to experience these values in action. It is encouraging to see our learners growing not only in academic knowledge but also in confidence, character, and their readiness to contribute positively to the world around them.

Message from the Principal

Shrimati Asha Rajeev Nair
Principal
Edify World School – Attapur

Every day at school offers an opportunity for our students to learn something new, discover their strengths, and grow as confident individuals. This month has been filled with meaningful experiences, from engaging classroom learning and educational field trips to the Student Council elections and Investiture Ceremony, where our young leaders embraced the values of responsibility and service. It has also been heartening to see our students excel in academics, sports, and co-curricular activities, reflecting the enthusiasm and commitment that define our school community. My sincere appreciation goes to our teachers and parents for their continued partnership in creating a nurturing environment where every child is encouraged to learn, lead, and flourish.

KEY ANNOUNCEMENTS & SCHOOL INITIATIVES

A Prestigious Honour for Our Chairman and Managing Director

Edify World School, Attapur proudly congratulates Sri D. Rajeshwar Reddy, Chairman and Managing Director, on being conferred the Young Edupreneur in School Education Award 2026 at the ET Excellence Telangana Awards. He received this prestigious honour from actor Sonu Sood and the Hon'ble Governor of Telangana, Shri Shiv Pratap Shukla, at a grand ceremony held

at Novotel HICC, Hyderabad. This marks the fourth consecutive year that Sri Rajeshwar Reddy has been recognised by The Economic Times for his outstanding contributions to K-12 education. His visionary leadership continues to inspire excellence and innovation across the Sanctus Group of Schools and Edify World School, Attapur.

KEY ANNOUNCEMENTS & SCHOOL INITIATIVES

Strengthening Career Guidance and Academic Exposure at School

The month witnessed several significant initiatives under the school's Career Guidance programme, aimed at expanding students' exposure to diverse academic and career pathways. A Memorandum of Understanding (MoU) was signed with St. George's University, Grenada, opening new opportunities for students aspiring to pursue medicine and allied health sciences internationally. Students were also successfully onboarded onto the

Career Guidance Platform, providing access to career assessments, university exploration, application guidance and personalised career planning resources. Further strengthening the focus on innovation and entrepreneurship, the school registered for NEC Junior 2026 by E-Cell, IIT Bombay, enabling students from Grades VI to XII to develop entrepreneurial thinking, problem-solving and innovation skills through structured activities and competitions.

KEY ANNOUNCEMENTS & SCHOOL INITIATIVES

Inauguration of New Learning Spaces

Edify World School, Attapur marked a significant milestone with the inauguration of its state-of-the-art Space Lab, Art and Design Studio, and Shooting Range by our Chief Managing Director, Sri D. Rajeshwar Reddy, in the presence of our Principal, Shrimati Asha Rajeev Nair. These inno-

vative learning spaces have been thoughtfully created to foster scientific curiosity, creativity, precision, and experiential learning among students. The inauguration reflects the school's continued commitment to providing world-class facilities that inspire students to explore, innovate, and excel beyond the classroom.

KEY ANNOUNCEMENTS & SCHOOL INITIATIVES

STUDENT EXCELLENCE & ACHIEVEMENTS

Grade 1 Student Shines at Telangana New Taekwondo Association Event

We are delighted to share that our Grade 1 student has achieved a remarkable victory at the Telangana New Taekwondo Association event. This accomplishment is a testament to the student's dedication, discipline, perseverance, and hard work, along with the constant support and encouragement of their parents and coaches. We proudly congratulate our young champion on this wonderful achievement and wish them continued success and many more victories in the future. Keep shining and making us proud!

Proud Moment for Edify World School, Attapur

We are delighted to celebrate the outstanding achievement of Master Palle Siddhartha Goutham of Grade 5 – Believers, who won the Bronze Medal in the Under-11 category at the CBSE South Zone-I Chess Tournament, organised by Pallavi Model School, Boduppal, Hyderabad. Competing against 345 participants, Siddhartha's remarkable performance reflects his dedication, strategic thinking, and perseverance. We congratulate him on this well-deserved achievement and wish him continued success in future tournaments.

STUDENT EXCELLENCE & ACHIEVEMENTS

Checkmate to Success: Celebrating Our Chess Champions

Edify World School, Attapur takes immense pride in the outstanding achievements of its young chess players at prestigious CBSE South Zone-I and state-level tournaments. Our students showcased exceptional strategic thinking, determination, and sportsmanship, securing remarkable positions across various age categories, including top-10 finishes at the

CBSE South Zone-I Championships and impressive performances in rapid chess tournaments. These accomplishments reflect the students' dedication, perseverance, and passion for the game, bringing great honour to the school. We congratulate all our chess champions and wish them continued success in their future competitions.

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

Our Grade 4 and Grade 5 students enjoyed enriching educational visits to the Birla Science Museum and Kothwalguda Eco Park. Through fascinating exhibits on space, dinosaurs, archaeology, and hands-on exploration of nature, students learned beyond the classroom. The visits sparked curiosity, encouraged observation, and helped students appreciate both scientific discoveries and the wonders of the natural world. Filled with fun, exploration, and memorable experiences, the trips left our young learners with lasting memories and a deeper love for learning.

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

Our young learners from IKS enjoyed a joyful field trip to Play Zone, celebrating Friendship Day with laughter, games, and togetherness. The children had an exciting time at Play Panda, strengthening bonds with their friends and teachers. Exchanging friendship bands and sharing delicious snacks made the day even more special. It was a memorable celebration filled with happiness, friendship, and cherished moments.

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

IK-3 students enjoyed engaging hands-on learning experiences exploring the world of plants and the changing seasons. Through creative activities, students identified and learned about products obtained from plants, including fruits, vegetables, wood, and medicines. They also explored different

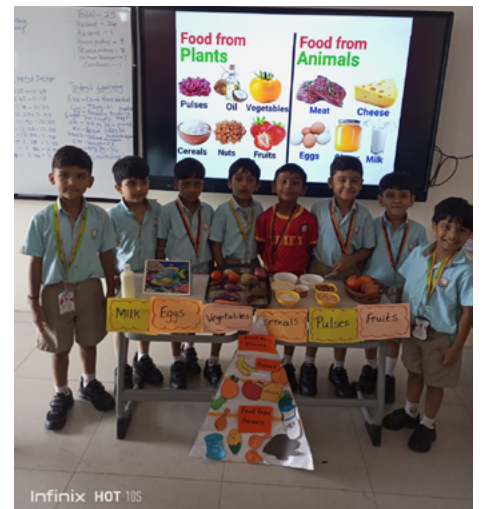

seasons through thoughtfully designed classroom setups featuring seasonal foods, visuals, and creative displays. These interactive experiences encouraged curiosity, creativity, and a deeper understanding of nature and the world around them.

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

Our Grade 1 learners enjoyed a fun and engaging learning experience exploring healthy choices, body parts, action words, and the sources of our food. Through collaborative poster-making, jigsaw puzzles, and hands-on sorting activities, they strengthened their understanding of healthy foods, body parts, and food from plants and animals. The children also explored verbs through ac-

tive play, identifying action words such as climbing, jumping, crawling, balancing, and stretching. These interactive activities helped develop their vocabulary, sentence-building, observation, problem-solving, fine motor, communication, and teamwork skills. It was wonderful to see our young learners actively participate, collaborate with one another, and discover that learning can be creative, meaningful, and joyful.

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

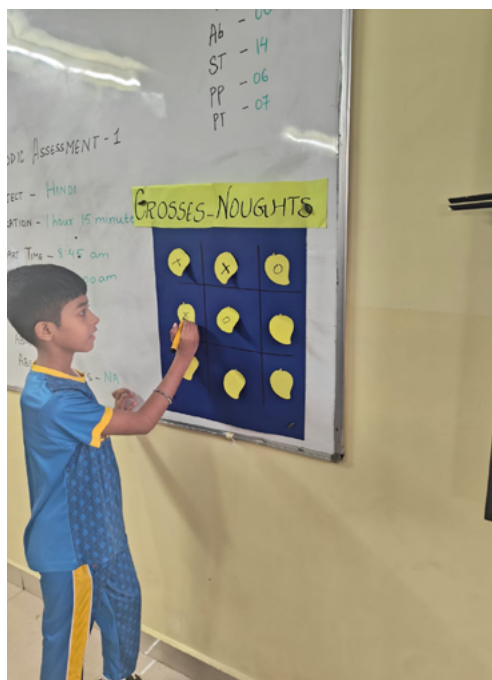

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

Students of Grade 4 brought the fascinating world of insects to life through an engaging Bug Show. Dressed as different insects, they confidently presented interesting facts about their habitats, food, life cycles, and unique characteristics. The activity encouraged creativity, research, and public-speaking skills. It was an enjoyable and interactive experience that showcased the students' confidence and knowledge.

Grade 4 students participated in an engaging activity that strengthened their critical thinking, collaboration, communication, and problem-solving skills. Working in teams, they made quick decisions and applied their understanding of the lesson in a fun and interactive setting. The activity encouraged active participation and boosted students' confidence. It was a meaningful learning experience filled with teamwork, enthusiasm, and enjoyment.

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

Grade 4 students explored the absorbent nature of cotton through a creative leaf-dabbing activity. They observed how cotton absorbs water while experimenting with leaves to create beautiful impressions on fabric. The activity provided an opportunity to connect scientific concepts with artistic expression. It was a fun, hands-on learning experience that encouraged curiosity and creativity.

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

Students enjoyed an exciting and enriching dance session that introduced them to the legendary dancer Michael Jackson, his unique style, and his contribution to dance. Through an engaging video, students explored his iconic moves and were inspired

to express creativity through movement. The session concluded with a fun shadow play activity, allowing students to experiment with light, silhouettes, and self-expression. It was a joyful learning experience filled with creativity, exploration, and fun.

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

Our Culmination Day was a memorable celebration of the children's learning journey, creatively presented through an imaginative Airport Theme. Students travelled through exciting learning destinations including Sports, Dance, EVS, Mathematics, and English, showcasing their skills, confidence, and creativity. Parents watched with pride as the children enthusiastically presented their learning and achievements. It was a heartwarming celebration filled with joy, confidence, and unforgettable memories.

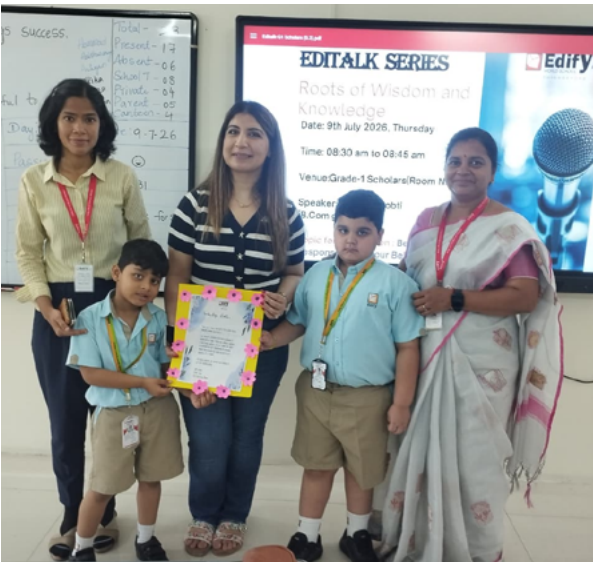

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

EdiTalk at Grade 1 was a joyful celebration of learning, with parents stepping into the classroom as guest teachers and inspiring our young learners. Through storytelling, interactive games, role-plays, hands-on activities, demonstrations, and lively discussions, children explored new ideas and strengthened their confidence. Each session offered a unique theme, encouraging curiosity, creativity, meaningful conversations, and the joy of discovering new perspectives. The excitement and enthusiasm of our learners reflected the power of strong home-school partnerships and the value of learning together as a community.

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

Grade 3 students explored the world of onomatopoeia by identifying sounds from their surroundings and creatively illustrating them through colourful artwork. The activity helped students strengthen their observation skills, vocabulary, creativity, and understanding of how sounds connect

to their sources. In another engaging activity, students explored Traditional Tales by dressing in traditional attire representing different countries and cultures. They confidently delivered one-minute presentations, showcasing their public speaking skills while celebrating diversity, culture, and heritage.

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

Students of Grade 3 participated enthusiastically in an outdoor “Know Your Plant” activity, bringing potted plants from home and sharing interesting facts about them. They identified their plants, discussed their features, uses, leaf shape and

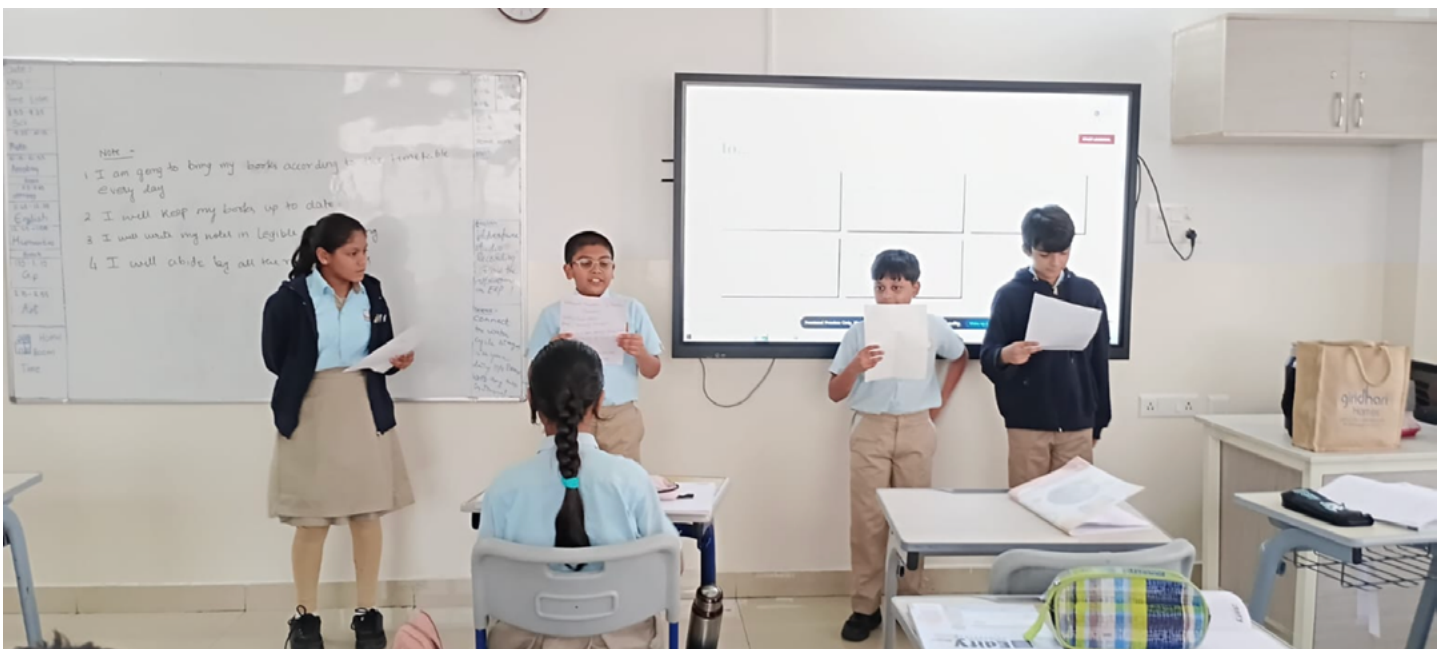

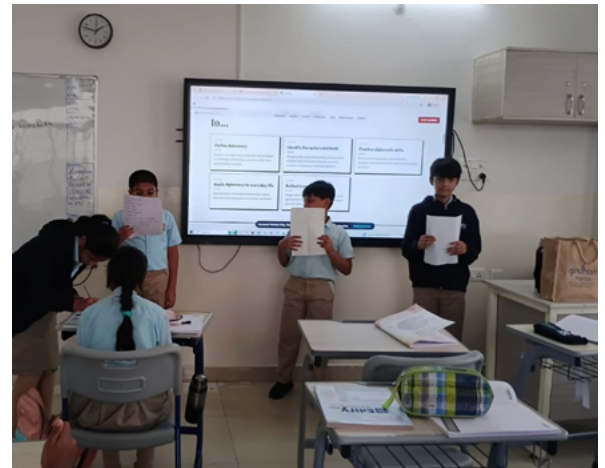

texture, flowering status, and ways to care for them. The hands-on activity enhanced students’ observation and communication skills while fostering environmental awareness and appreciation for nature. It was an engaging and enriching learning experience.

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

Diplomats for a Day: Students enthusiastically stepped into the role of diplomats, representing different countries and confidently presenting their traditions, customs, and cultural practices. Through engaging discussions and presentations, they explored the rich diversity of global cul-

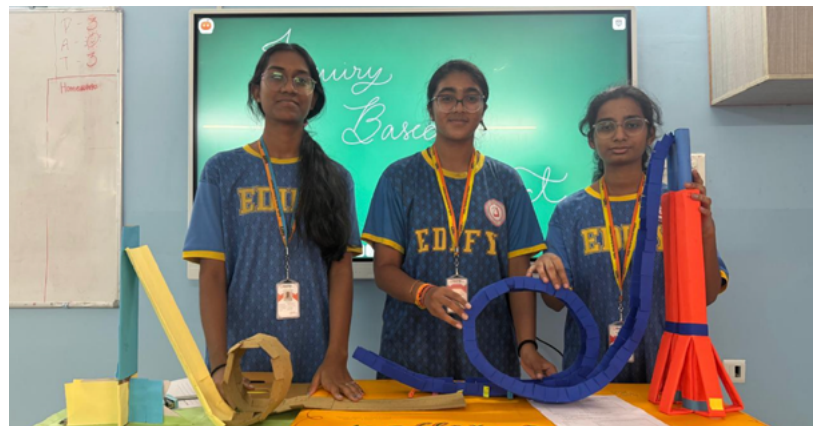

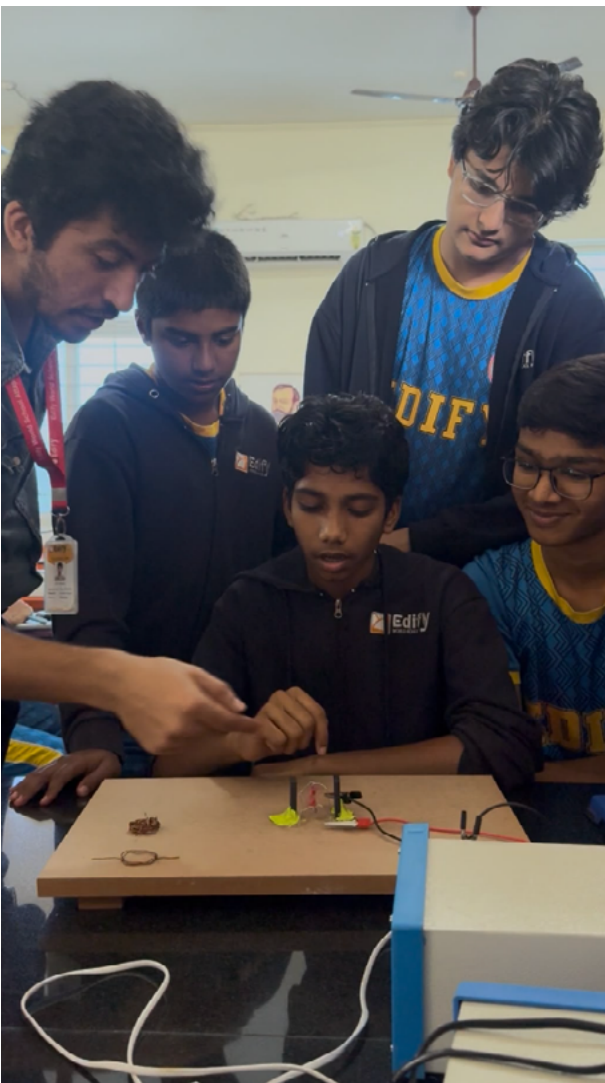

tures while developing their research, communication, and public speaking skills. The activity fostered cultural awareness, respect for diversity, and a broader global perspective in an interactive and meaningful way.

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

Decoding Physics Through Practical Learning: Bringing the Cambridge Physics curriculum to life through inquiry-based learning, students explored key scientific concepts through engaging hands-on activities. They designed, tested, and refined roller coaster models to understand energy transfer and circular motion, applying physics principles to real-world engineering challenges. In

another practical demonstration, students used a laser attached to an oscillating mass to visualize simple harmonic motion and observe how oscillations produce wave patterns in real time. These immersive experiences strengthened conceptual understanding, critical thinking, and problem-solving skills while making physics meaningful, interactive, and enjoyable.

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

As part of the chapter The Western Desert – The Thar, Grade 4 students created vibrant Kathputli paper crafts to explore and showcase the rich culture and traditional lifestyle of Rajasthan. The hands-on activity helped them understand the re-

gion's folk art, customs, and cultural heritage in an engaging and creative way. It encouraged artistic expression while strengthening their connection with India's diverse traditions.

LEARNING IN ACTION (CURRICULUM HIGHLIGHTS)

Grade 3 students engaged in enriching hands-on activities that connected scientific exploration with real-world mathematical applications. They investigated the properties of solutions by identifying solutes, solvents, and distinguishing between soluble and insoluble substances through simple experiments. Integrating Mathematics with Social Science, students explored different countries,

their capitals, currencies, and locations on the world map. They also applied multiplication and division to convert foreign currencies into Indian Rupees using given exchange rates. These interactive activities strengthened scientific inquiry, mathematical skills, and global awareness while making learning meaningful and engaging.

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

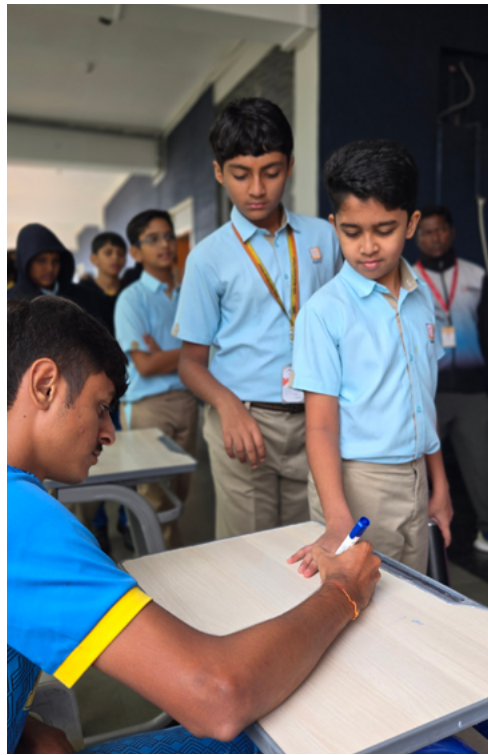

From Ballot to Badge: Celebrating Student Leadership

The Investiture Ceremony was held on July 11, 2026, marking the formal induction of the newly elected Student Council. The ceremony was graced by Chief Guest Shri D. Rajeshwar Reddy, Chairman and Managing Director, Edify World School, Attapur, who administered the oath to the student leaders. The Principal Smt. Asha Rajeev Nair and the chairman presented the elected members with their badges and sashes, officially entrusting

them with their leadership responsibilities. The Student Council elections were preceded by a polling process conducted on 2 July, giving students an opportunity to participate in the democratic process and elect their representatives. The ceremony inspired the young leaders to uphold their responsibilities with confidence, integrity, teamwork, and a spirit of service to the school community.

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

Futures Forum: Inspiring Students to Explore Careers of Tomorrow

Edify World School, Attapur, hosted Futures Forum: Inspiring Minds, an engaging session designed to broaden students' perspectives on future opportunities.

The forum encouraged students to explore emerging careers, new-age skills and diverse pathways be-

yond conventional choices. Experts shared valuable insights and real-world experiences, helping students understand the changing landscape of education and careers. The interactive session inspired students to think critically, identify their interests and make informed decisions about their future.

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

PRS BootCamp Orientation: Building Future Leaders Through Parliamentary Learning

On 16 July 2026, an engaging PRS Student Parliament BootCamp Orientation was conducted for students, introducing them to parliamentary procedures and democratic leadership. The session explored debate, public speaking,

policymaking and effective representation through interactive discussions.

Students actively participated and gained valuable insights into the functioning of Parliament and the importance of informed decision-making.

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

Grade 3 Explorers and Thinkers presented inspiring morning assemblies on the theme “Nature and Sustainability,” spreading the message of environmental conservation through thought-provoking skits, songs, dances, and speeches. Their performances highlighted the importance of protecting the planet and encouraged everyone to adopt sustainable practices for a greener future.

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

Students of IK-3 Lily paid a heartfelt tribute to the brave martyrs of the Kargil War. Dressed as little soldiers, the young learners expressed their patriotism through a beautiful dance, soulful songs, and a meaningful skit. The presentation was a proud and emotional moment that instilled a deep sense of respect and love for the nation.

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

IK-3 Roses presented a vibrant Special Assembly on International Tiger Day, spreading awareness about the importance of protecting these majestic animals. Through an engaging dance and meaningful skit, the young learners conveyed a powerful message about wildlife conservation. Outstanding performers were also rewarded, making the assembly a memorable celebration of confidence, creativity, compassion, and achievement.

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

The Great India Quiz – Season 4 was conducted with enthusiastic participation from students across Grades 1 and 4, representing the four houses—Agni, Akash, Prithvi, and Brahmos. The event celebrated India's rich heritage, culture, achievements, national symbols, festivals, and tra-

ditions while encouraging students to demonstrate knowledge, confidence, quick thinking, teamwork, and sportsmanship. Students participated with great enthusiasm and successfully progressed through the different rounds, creating an atmosphere of healthy competition, curiosity, and pride in the nation.

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

Our school was delighted to welcome our wonderful doctor parents, who graciously visited and interacted with our young learners. The students enthusiastically interviewed the doctors, asking thoughtful questions about their journeys,

challenges, and inspiration. The doctors also shared valuable tips on health, hygiene, and developing positive habits. The engaging session inspired our students to dream big and make healthy choices in their daily lives.

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

The IK-3 Marigold assembly celebrated Chocolate Day with the beautiful message that kindness, sharing, and helping others are sweeter than chocolate. Students enthusiastically participated in the celebration and were rewarded for their achievements. The occasion brought great joy and excitement to the young learners. The assembly concluded on a melodious note with the choir singing the school song with pride.

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

Our students brought the magic of the monsoon alive by arriving dressed in beautiful shades of blue, creating a vibrant rainy-day atmosphere. The children enjoyed a specially arranged water play session, splashing and splashing with laughter and excitement. From jumping in puddles to sharing joyful moments with friends, the little ones had an unforgettable time. It was a delightful day filled with fun, smiles, laughter, and cherished memories.

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

LK Lotus conducted a delightful assembly on World Emoji Day, where students creatively expressed a variety of emotions through engaging performances. The assembly was filled with joy and enthusiasm as children actively participated in a fun and interactive game. Students were also rewarded for their outstanding performances, encouraging confidence and celebrating their efforts. It was a memorable occasion filled with laughter, creativity, and meaningful participation.

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

Our Grade 1 learners delighted us with two meaningful class assemblies centred on Global Forgiveness Day and Being Unique. The Explorers shared the importance of kindness, saying “I’m sorry,” and forgiving others to build stronger friendships and happier hearts. The Thinkers celebrated individuality through engaging role-plays, lively performances, and inspiring messages about self-love and acceptance. Both assemblies showcased the children’s confidence, creativity, teamwork, and enthusiasm. Their thoughtful presentations reminded us to embrace forgiveness, kindness, and the uniqueness that makes each of us special.

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

An engaging Emo Quest session was conducted, bringing parents together to explore children's emotions. The session focused on helping children identify, express, and manage their feelings with confidence. Through meaningful discussions and activities, parents gained valuable insights into nurturing emotionally strong and happy children. Together, we continue to build caring hearts, confident minds, and brighter futures!

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

Grade 2 students celebrated Bastille Day with enthusiasm, learning about French history and the values of freedom, equality, and unity. They also presented a meaningful assembly on the theme “Kindness Makes the World Better.” Through inspiring speeches, a graceful dance, and heartfelt messages, students highlighted the power of kindness. The celebrations encouraged cultural awareness, confidence, and the importance of creating a happier and more inclusive world.

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

The Grade 1 Poem Recitation Competition was conducted successfully, with our young stars participating with great enthusiasm and confidence. Their expressive performances and charming recitations brought the poems alive, creating a joyful and lively atmosphere. The event helped nurture confidence, public speaking skills, and a love for poetry among our students.

Parent-Teacher Meeting for Grade 1 was held successfully, providing a valuable platform for meaningful interaction between parents and teachers. Discussions focused on students' academic progress, behaviour, participation, and overall development. Teachers shared feedback on students' strengths and areas for improvement, while parents actively participated in the discussions. The meeting strengthened the home-school partnership and reaffirmed the shared commitment to supporting students' growth and success.

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

Grade 5 students conducted two engaging morning assemblies to mark National Chocolate with Almonds Day and World Brain Day. Through creative skits, role plays, and informative presentations, they promoted the importance of healthy eating, moderation, and maintaining a healthy brain through positive lifestyle choices. Students also portrayed renowned historical geniuses, inspiring their peers with messages about lifelong learning and the power of knowledge.

LIFE AT SCHOOL: EVENTS & CELEBRATIONS

The Grand Finale of The Great India Quiz Season 4 was a vibrant celebration of knowledge, curiosity, and academic excellence. Finalists from across the grades displayed exceptional confidence, critical thinking, and an impressive breadth of knowledge while competing in challenging quiz rounds. The event fostered healthy competition, teamwork, and quick decision-making, creating an atmosphere of enthusiasm and sportsmanship.

CAREER & UNIVERSITY GUIDANCE

Career Counsellor's Compass

Ms. Janisar Qureshi
Career Counselor

Strengthening Career Pathways for Global Opportunities

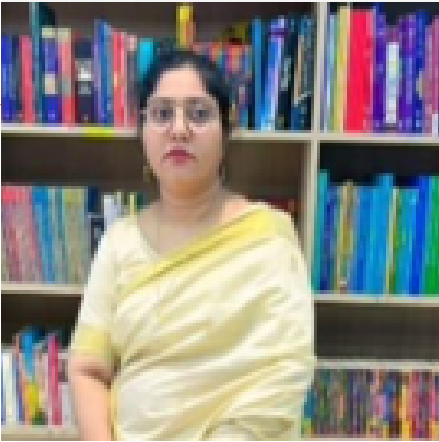

At Edify, we continue to strengthen our career guidance programme through personalised student support and global engagement. Individual career planning sessions with Grade 10 and Grade 11 students have helped us better understand their aspirations, enabling more focused guidance for higher education and future careers. Our initiatives have expanded through participation in the NEC Junior Entrepreneurship Cell in association with IIT Bombay, continued engagement with the College Board and the IC3 Movement, and professional learning through the Group of Eight (Go8) workshop. These collaborations enhance our understanding of emerging higher education path-

ways and global career trends.

By combining personalised counselling with strong institutional partnerships, Edify remains committed to empowering students to make informed decisions and confidently prepare for future opportunities.

These ongoing initiatives reflect our commitment to ensuring that career guidance remains proactive, relevant, and student-centred. By continually strengthening our global connections and expanding opportunities for student engagement, we aim to equip every learner with the confidence, awareness, and direction needed to thrive in an ever-changing world.

WELL-BEING & GUIDANCE

Special Educator's Column

Ms. Anjum Fatima
School Special Educator

Building Bright Futures at Home

Every child has the potential to thrive when nurtured with love, patience, and understanding. While schools provide knowledge and learning opportunities, the strongest foundations of character, values, and emotional well-being are built at home. Parents are a child's first teachers, and the environment they create plays a vital role in shaping confident, responsible, and compassionate individuals.

Children learn as much from what they observe as from what they are taught. Everyday conversations, shared meals, acts of kindness, and the way adults respond to challenges all become valuable life lessons. Alongside academic success, it is equally important to nurture qualities such as honesty, respect, responsi-

bility, resilience, gratitude, and empathy. Simple daily habits can make a lasting difference. Spend quality time with your child, encourage reading, maintain healthy routines, appreciate effort rather than just results, and avoid comparisons that may affect self-esteem. Listen patiently, support emotional well-being, and encourage children to solve problems independently while knowing they have your guidance.

When parents and educators work together with trust and mutual respect, children receive the confidence and support they need to succeed. It is the small, consistent moments of love, encouragement, and guidance that build the strong foundation for a child's lifelong learning, happiness, and success.

Nurturing Connections: Building Safe Spaces at Home

As we move into the new academic year, we want to celebrate a wonderful trend from July: record numbers of students visited the counselling office to express their feelings, process challenges, and seek guidance. It is deeply encouraging to see our young people taking charge of their emotional well-being and recognizing the counselor's office as a safe haven.

However, in these sessions, many students share that they feel an emotional gap when communicating at home.

Understanding the Gap & The Power of Modeling

Between busy work schedules and fast-paced daily routines, it is completely understandable how this disconnect happens. Yet, parental support remains the single greatest strength in a child's development.

It helps to remember that children learn primarily through observation and mimicking—a principle famously demonstrated by Albert Bandura's Bobo Doll Experiment. Children absorb how to react to stress, handle conflict, and use language directly

from their environment, especially from parents.

- **Reflect First:** Pause to consider how you model emotional reactions, stress management, and language at home.

- **Lead by Example:** When we manage our own reactions, we show our children how to navigate their emotions constructively.

Simple Steps to Bridge the Gap

- **Listen Without Judgment:** Set aside the urge to correct immediately or take things personally. Give your child room to speak without fear.

- **Shift from Blame to Curiosity:** Instead of "Why did you do that?", ask "What was happening in that moment?" or "How can we solve this together?"

- **Offer Undivided Presence:** Even 10 minutes of screen-free, dedicated time each day signals to your child that home is their ultimate safe space.

We are always here to support both you and your child in navigating family dynamics. Let's work together to nurture confident, resilient kids.

Happy parenting!

WELL-BEING & GUIDANCE

Wellness Counsellor's Column

Ms. Vanshika Singhania
School Wellness Counsellor

This month brought with it the familiar rhythm of examinations, preparation, revision, and the many emotions that accompany academic pressure. As assessments approached, students experienced a range of feelings from motivation and excitement to worry, self-doubt, and stress. This month, our focus as a counselling and wellbeing team was to remind students that examinations are an important part of their academic journey, but they do not define their worth, abilities, or potential.

Through wellbeing interactions and counselling support, students were encouraged to approach examinations with a balanced mindset. Emphasis was placed on managing expectations, staying organised, taking healthy breaks, maintaining routines, and focusing on consistent effort rather than perfection. Students were also encouraged to recognise their emotions, seek support

when needed, and replace overwhelming thoughts with more constructive and realistic self-talk.

An important message throughout the month was “Progress over perfection.” Every student has a different pace of learning, different strengths, and different ways of handling pressure. Learning to manage stress, cope with challenges, and continue trying even when things feel difficult are skills that extend far beyond the examination hall. As we move forward, let us continue creating a school environment where students feel comfortable asking for help, expressing their concerns, celebrating their efforts, and learning from their experiences. After all, wellbeing is not about having a stress-free journey it is about developing the confidence and skills to navigate challenges with resilience, self-awareness, and support.
